Students can log onto the [UWA Residential College Application Portal](#) and apply to live on campus in one place. They rank their college preferences from 1-5 and the portal will automatically send their application to the college (starting with their first preference). Students should apply for accommodation as early as possible. There is a fee for the housing application.

Yes. Once students' return the signed acceptance contract with applicable payment, UWA will issue a Confirmation of Enrolment (CoE) document which will allow students to apply for an Australian Student Visa (ASV). Visas can take up to 4—6 weeks to be approved.

UWA is an eligible institution for [Streamlined Visa Processing](#).

Students on an ASV can work up to 40 hours per fortnight during semester and unlimited hours during university holidays.

Instead of a Student Visa, some students may be eligible to apply for a Working Holiday Visa (WHV). Please see the following website for the different categories and conditions of a [WHV](#).

If students come to UWA on a WHV they should be aware of the following:

- Students are not entitled to Overseas Student Health Cover (OSHC) but must accept the responsibility to arrange their own health insurance and acknowledge that they must cover their own expenses while in Australia.
- Students will not be covered by the [Education for Overseas Students \(ESOS\) Act](#) which protects the interests of overseas students studying in Australia.

[Overseas Student Health Cover \(OSHC\)](#) is an Australian Student Visa requirement. UWA can arrange OSHC for students through Allianz. Alternatively, students can purchase their own through one of the other Australian Providers. Students must provide evidence of this when submitting their acceptance documents. For further information please see <http://www.border.gov.au/Trav/Stud/More/Health-Insurance-for-Students>.

Most students from Sweden, Norway and Belgium do not have to purchase the OSHC (please check with the Australian [Department of Immigration and Border Protection](#)). New Zealand and Australian citizens will be eligible for Medicare and do not require OSHC.
